Finishing and Maintenance Recommendations

Product	Preparation Required	Recommended Finish	Application	Average Length of Maintenance Cycle	Required Maintenance Steps
Designer Petrified Ash	None, it comes dried and sanded ready for prefinishing	Messmers UV-Plus for Hardwoods Finish -	1 coat on all sides and ends	1 to 3 years depending on traffic and exposure to the sun	Prior to refinishing, mix cleaning solution of 2 oz. TSP, 1 quart bleach, 3 quarts of water. Using a pump garden sprayer, spray solution on a wetted deck, let sit 15 minutes, and then power wash. Allow to dry 2 days, then apply one coat Messmers UV-Plus for Hardwoods Finish
